

**The first talk for the 2023/24 season will be**  
**The u3a Monthly Meeting on**  
**Wednesday 25<sup>th</sup> October 2023 at**  
**at 2pm at**  
**The Bat and Ball Centre, Sevenoaks**

Our speaker this month is Tim Moorey, a crossword setter for both the Times and the Sunday Times . He is a wordsmith and an excellent speaker and some of our Members will remember him from his visit to us in November 2020 when he gave us a fascinating talk about the secrets of a crossword setter.

This time he will be telling us about **“The Remarkable Dr Johnson – A National Hero”**. He will shed a light on his life and achievements and tell us how, despite huge personal difficulties this English Hero gave the Nation it’s first “Proper” dictionary.

**We look forward to welcoming you to the Bat & Ball Centre for the first of our new season of talks, with tea and biscuits being served afterwards.**

I do hope you will join us.
