### COFFEE MORNINGS

Our first two coffee mornings at Miller and Carter in Riverhead on 2<sup>nd</sup> December and 6<sup>th</sup> January were very successful. We aim to repeat them on or about the first Monday of every month. All members are welcome to attend, especially those looking for new activities, and group organisers seeking new members. Details will be shown in newsletters and on the website.

### CLUSTERS

In the next few weeks I will be looking into ways of improving co-operation with Knole, Westerham and Edenbridge U3As. The idea will be for the four organisations to become a "cluster", allowing members to participate in each other's activities without having to pay more than one subscription. In the event of there being limited vacancies in a group, priority will be given to members of the host U3A.

### NEWSLETTERS

The Newsletter team is very keen to include reports from Groups, so

please let us all know what you are up to by sending a brief report, preferably with a photograph, to [news@sevenoaksu3a.org.uk](mailto:news@sevenoaksu3a.org.uk).

There are still members who receive newsletters by post. Apart from receiving them more quickly and in colour, those who receive them by email benefit from additional notifications of events. If you would like to receive your newsletter by email rather than by post please advise Jill Davies on

[membership@sevenoaksu3a.gov.uk](mailto:membership@sevenoaksu3a.gov.uk).

### LEAFLETS

Our Publicity Sub-committee has produced a promotional leaflet aimed at attracting new members. They will be available at Open Meetings and I can supply a copy by email on request. If you know anyone who might be interested in joining please arrange for them to have one.

### RIVIERA TRAVEL SCHEME

Along with many other U3As we have joined the Riviera Affinity Scheme. If the person booking a holiday with Riviera Travel mentions Sevenoaks U3A at the time of booking, Riviera will donate 10% of the total basic cost of all travellers as a charitable donation to Sevenoaks U3A. The operation of the scheme is as follows:

- ◆ Mention Sevenoaks U3A when making the booking.
- ◆ At the end of the holiday Riviera will send the member an email asking that an invoice is sent to them to claim the donation.
- ◆ Forward this email to [treasurer@sevenoaksu3a.org.uk](mailto:treasurer@sevenoaksu3a.org.uk)
- ◆ The treasurer will send an invoice to Riviera.
- ◆ 50% of the amount received by the Treasurer will be passed to the member

### **NEED HELP WITH YOUR IPAD?**

We are running two seminars by one of the professional Apple companies to teach everyone how to get much more enjoyment out of using their iPad. There are more than 20 things you can do on an iPad and each two hour seminar will show you how to use most of them as well as

teaching you all the basic uses. Whether you are a complete beginner or you have been using your iPad for some time our seminars will help you to use more of the software on this wonderful Apple product.

These seminars are being held by the Sevenoaks Apple Group in one of the halls in Otford dependent on the number of people that want to attend. The cost will be just £2 to help us pay for the hall rental. If you would like to reserve your place, please send an email to Dave Simmons at [dgsimmons7@gmail.com](mailto:dgsimmons7@gmail.com) with your name(s), email address, telephone number and anything that you would like to have included in the seminar. Please respond by the 15th February 2020 so that we can make sure we have all the facilities for the events and we will send you all the details.

### BRIDGE FOR PLEASURE

The Group plays at Otford Village Hall on the 2<sup>nd</sup> and 4<sup>th</sup> Wednesday mornings of each month from October to the end of July, from 9.45 a.m. until 12 noon. The winners in November were Wynne Owens and Denise Record, who also won in December.

Today the service extends to include the saving of lives on our beaches, rivers and in flood water throughout the UK and Republic of Ireland by volunteers without any Government funding.

All capital and operating costs are raised by public donations. The presentation will describe today's RNLI in terms of its lifeboats and lifeboat stations, community focussed lifesaving and the importance of the International work of the RNLI. A description will be given of the design and development of the latest all-weather lifeboats and the boat production facilities which are now undertaken by the RNLI in-house.

### CHRISTMAS AT KEW

At the end of November a group of us went by coach to experience the annual "Christmas at Kew". We were lucky with the weather, having a rare fine and almost totally dry evening! The new route through the gardens was breath-taking: highlights included the waterfall of lights cascading from a towering treetop walkway; a 'choir' of holly trees and the finale in front of the Palm House where festive projections played across a giant screen of water in the centre of the lake. This last attraction held us, and all the many other visitors, spellbound. My personal favourite was the illumination of trees along the route with subtle changes of colour which showed off their striking winter forms to perfection. Many thanks to Joyce Allen for organising such an enjoyable trip.

## LONDON STUDIES 2

The photograph below shows our London Studies Group during a recent visit to Deptford, in front of a statue of Peter the Great, a gift from the Russian people. We also visited St Paul's Church, a magnificent baroque building, and had a long and interesting talk with the Vicar, visited a street of 18<sup>th</sup> Century Sea Captains' houses and the Master Mariner's house, which is all that is left of the huge dockyard started by Henry VIII. Peter the Great was in Deptford to learn shipbuilding at the dockyard.

This Group has been running for more than 10 years and we have some 20 members. We divide into groups of 2-3 people and each group takes a turn to organise a visit to a place of interest in London, usually travelling by train. Visits are on the 1<sup>st</sup> Thursday of the month (except for December when we have a get-together, and January). We can accommodate a few new members if anyone is interested.

## EUROPEAN AFFAIRS

Never has there been a more important time to understand our European neighbours! A new relationship looms certainly but the old history remains - we are inextricably linked to Europe by culture, race, common ancestry, trade, sometimes by marriage and often by a common belief in our democratic principles.

In 2019, with the help from a little local foodstuffs, we discussed Denmark and Poland. This year we are planning a varied timetable: we will talk about European education systems, the challenges facing the EU's new governance team and future UK-Europe relations. We also hope to invite an outside expert on European issues to share his experience with us. One month we plan to view a relevant European film and we are also hoping to hold our end of academic year celebration at a restaurant with a strong European atmosphere.

We still have some vacancies if you would like to come along, even just to sample one of our meetings and without any commitment. Please contact me if you are interested in Europe!

## TABLE TENNIS - proposed new group

Table tennis is a great activity providing lots of exercise and stimulation for the brain. It's great for socialising too!

Owing to the immense popularity of our two existing table tennis groups we are looking at the possibility of starting a third group. This would be at Sevenoaks Leisure Centre on Thursday afternoons between 2 and 4 o'clock. All equipment will be available, or if you have your own bat, of course you can bring it along. It doesn't matter whether or not you have played before - all are welcome to join in! If you would like to join this new group, please contact: [tabletennis@knoleu3a.org.uk](mailto:tabletennis@knoleu3a.org.uk)
